Eco/ESG Gifting: Where Purpose Meets Style.

Discover a collection of thoughtfully curated products that go beyond conventional gifting. With a focus on making a difference to both people and the planet, our range combines sustainability, social impact, and style in perfect harmony.

Each item in our selection has been carefully chosen for its environmental credentials and positive social benefits. From eco-friendly materials to fairtrade craftsmanship, our products embody the values of conscious consumption and responsible gifting.

By choosing our Eco/ESG Gifting Range, you can create a meaningful impact while delighting your recipients with unique and purposeful gifts.

Join us in making a difference to people and the planet, one gift at a time.

GREEN THUMB

SEEDBALLS R80

Crafted from repurposed paper cups, they contain a blend of nutrient-rich soil and carefully selected seeds. Simply plant them, water, and watch as the paper decomposes, allowing the seeds to sprout into vibrant plants. Our SeedBalls represent a commitment to sustainability by repurposing discarded materials

SEEDBALLS MINI BAG R35

The mini bag of SeedBalls is the ideal addition to your goodie bags, table favours or affordable gifts. These little treasures are the perfect way to add a touch of eco-conscious magic to any occasion.

SEEDBALLS TUBES R100

These tubes are the perfect quirky gift!

Each tube contains 5 SeedBalls (4 vegetable and 1 wildflower) and are available in 3 sayings: You make me wanna sprout; I dig you; and Keep calm and garden on).

GREEN THUMB

SEEDBALLS BAGASSE BAG R50

This set of 6 SeedBalls is presented in a compostable corn starch bag, with a compostable tag

FIRELIGHTERS R110 X 20

Unique fire starters, crafted from small blocks of wood offcuts, filled with fragrant candle wax and a flickering wick. Adorned with delicate dried grasses or flowers, these fire starters are practical but also a visual delight
